

VISION/AIRE

Success Case

Casa Thomas Jefferson - Institutional Site and
Internet Portal

Problem

Casa Thomas Jefferson had a very old institutional website and platform. Thus, it was looking for a partner for the development of a new web platform in replacement.

**CASA
THOMAS
JEFFERSON**

Solution

Visionnaire, using the WebPublication platform, created a new website and corporate portal in a personalized way to meet all of Casa Thomas Jefferson's demands.

**CASA
THOMAS
JEFFERSON**

Results

The new portal and institutional website now meet all the needs of Casa Thomas Jefferson, which resulted in a centralization of data on the WebPublication platform, greater security, increased visibility of the company's brand, integration with CRM, availability of a formulary for the users, administration and accommodation of sub-sites and optimization of service channels.
