

VISIONNAIRE

Success Case

Hunting of specialized IT
professionals

Problem

Nexti sought Visionnaire because it was facing a recruitment bottleneck during the 2020 pandemic, with difficulty filling critical and complex positions.

Solution

Visionnaire acted as Nexti's specialized Recruitment and Selection partner, conducting the search, screening, preliminary interviews, and referral of IT professionals according to the profiles defined by the company.

Results

Visionnaire helped Nexti fill critical technology positions, reducing the recruitment bottleneck that was affecting the company's ability to advance its projects. Nexti's team received pre-screened candidates whose technical and behavioral profiles were aligned with the stated need.
